This privacy notice describes how we collect and use personal information about you during and after your relationship with us as a committee member, in accordance with the General Data Protection Regulation (GDPR). We encourage you to read this notice carefully, together with any other privacy notice we may provide on specific occasions when we are collecting or processing personal information about you, so that you are aware of how and why we are using such information.

This notice applies to all parents of children attending the Pre-school and to the data we hold about them and their children.

We do not have an appointed Data Protection Officer and any queries in relation to how we hold and use your and/or your children's personal information should be directed to the Setting Manager or the Chairperson.

### Data protection principles

In collecting and processing your and/or your children's personal information, we will comply with the data protection law in force at the time. This requires that the personal information we hold about you and/or your children must be:

1. Used lawfully, fairly and in a transparent way.
2. Collected only for valid purposes that we have clearly explained to you and not used in any way that is incompatible with those purposes.
3. Relevant to the purposes we have told you about and limited only to those purposes.

4. Accurate and kept up to date.
5. Kept only as long as necessary for the purposes we have told you about.
6. Kept securely.

### **The kind of information we hold about you and/or your children**

We will collect, store, and use a variety of categories of personal information about you and/or your children. Those categories are detailed in the Schedule to this notice.

We may also collect, store and use “special categories” of more sensitive personal information, which are also detailed in the Schedule to this notice.

### **How is your personal information collected?**

We collect personal information about you and/or your children directly from you on request through our registration form.

### **How we will use information about you**

We will only use your and/or your children’s personal information when the law allows us to and as detailed in the Schedule to this notice.

### **Situations in which we will use your personal information**

There are a variety of situations in which we will use the information we collect about you and/or your children and these are detailed in the Schedule to this notice. The information in the Schedule includes the use we make of particularly sensitive personal information, such as criminal records information.

Where we use your and/or your children’s personal information to pursue the legitimate interests of the Pre-school, we will only do so provided your interests and fundamental rights do not override those interests.

Some of the above grounds for processing will overlap and there may be several grounds which justify our use of your and/or your children’s personal information.

### **If you fail to provide personal information**

If you fail to provide certain information when requested, we may be prevented from complying with our legal obligations (such as to ensure the wellbeing of children in our care).

### **Change of purpose**

We will only use your and/or your children’s personal information for the purposes for which we collected it, unless we reasonably consider that we need to use it for another reason and that reason is compatible with the original purpose. If we need to use your and/or your

children's personal information for an unrelated purpose, we will notify you and we will explain the legal basis which allows us to do so.

Please note that we may process your and/or your children's personal information without your knowledge or consent, in compliance with the above rules, where this is required or permitted by law.

### **Do we need your consent to use particularly sensitive information?**

We do not need your consent if we use your and/or your children's personal information in accordance with our written policy to carry out our legal obligations. In limited circumstances, we may approach you for your written consent to allow us to process certain particularly sensitive data. If we do so, we will provide you with full details of the information that we would like and the reason we need it, so that you can carefully consider whether you wish to consent. You should be aware that it is not a condition of your child's attendance at the Pre-school that you agree to any request for consent from us.

### **Why might you share my/my children's personal information with third parties?**

We may have to share your data with third parties, including third-party service providers. We require third parties to respect the security of your and/or your children's data and to treat it in accordance with the law.

We will share your and/or your children's personal information with third parties where required by law, where it is necessary to administer our relationship with you or where we have another legitimate interest in doing so.

Any third parties with whom we might share your and/or your children's personal information are detailed in the Schedule to this notice.

### **Transferring information outside the EEA**

We do not anticipate transferring the personal information we collect about you and/or your children outside the EEA.

### **Data security**

We have put in place appropriate security measures to prevent your and/or your children's personal information from being accidentally lost, used or accessed in an unauthorised way, altered or disclosed. In addition, we limit access to your and/or your children's personal information to those employees, agents, contractors and other third parties who have a business need to know. They will only process your and/or your children's personal information on our instructions and they are subject to a duty of confidentiality. Details of these measures may be obtained from the Chairperson.

We have put in place procedures to deal with any suspected data security breach and will notify you and any applicable regulator of a suspected breach where we are legally required to do so.

## **Data retention**

We will only retain your and/or your children's personal information for as long as necessary to fulfil the purposes we collected it for, including for the purposes of satisfying any legal, accounting, or reporting requirements. Details of retention periods for different aspects of your and/or your children's personal information are set out in the Schedule to this notice.

In some circumstances we may anonymise your and/or your children's personal information so that it can no longer be associated with you and/or your children, in which case we may use such information without further notice to you.

## **Your duty to inform us of changes**

It is important that the personal information we hold about you and your children is accurate and current. Please keep us informed if your personal information changes during your relationship with us.

## **Your rights in connection with personal information**

Under certain circumstances, the law grants you certain rights. These are summarised below. Please note that your rights may be limited and subject to restrictions in certain situations:

- **Request access** to your personal information (commonly known as a "data subject access request"). This enables you to receive a copy of the personal information we hold about you and to check that we are lawfully processing it.
- **Request correction** of the personal information that we hold about you. This enables you to have any incomplete or inaccurate information we hold about you corrected.
- **Request erasure** of your personal information. This enables you to ask us to delete or remove personal information where there is no good reason for us continuing to process it. You also have the right to ask us to delete or remove your personal information where you have exercised your right to object to processing (see below).
- **Object to processing** of your personal information where we are relying on a legitimate interest (or those of a third party) and there is something about your particular situation which makes you want to object to processing on this ground. You also have the right to object where we are processing your personal information for direct marketing purposes.
- **Request the restriction of processing** of your personal information. This enables you to ask us to suspend the processing of personal information about you, for example if you want us to establish its accuracy or the reason for processing it.
- **Request the transfer** of your personal information to another party.

If you want to review, verify, correct or request erasure of your and/or your children's personal information, object to the processing of that data, or request that we transfer a copy of that information to another party, please contact the Chairperson.

### **No fee usually required**

You will not have to pay a fee to access your and/or your children's personal information (or to exercise any of the other rights). However, we may charge a reasonable fee if your request for access is unfounded or excessive. Alternatively, we may refuse to comply with the request in such circumstances.

### **What we may need from you**

We may need to request specific information from you to help us confirm your identity and ensure your right to access the information (or to exercise any of your other rights). This is another appropriate security measure to ensure that personal information is not disclosed to any person who has no right to receive it.

### **Right to withdraw consent**

In any circumstances where you may have provided your consent to the collection, processing and transfer of personal information for a specific purpose, you have the right to withdraw your consent for that specific processing at any time. To withdraw your consent, please contact the Chairperson. Once we have received notification that you have withdrawn your consent, we will no longer process the information for the purpose or purposes you originally agreed to, unless we have another legitimate basis for doing so in law.

### **Complaints to the UK supervisory authority**

You have the right to make a complaint at any time to the Information Commissioner's Office (ICO), the UK supervisory authority for data protection issues.

### **Changes to this privacy notice**

We reserve the right to update this privacy notice at any time, and we will provide you with a new privacy notice when we make any substantial updates. We may also notify you in other ways from time to time about the processing of your and/or your children's personal information.

**If you have any questions about this privacy notice, please contact Ellie Hibberd, Chairperson ([elliehibberd@gmail.com](mailto:elliehibberd@gmail.com); 07725 900638).**
